Write the paragraph in **Future Tense**.

Last summer, my family went on a road trip to the mountains. My dad drove our old car, and my mom was the navigator. Did we stop a lot for snacks? Yes, we did! My brother, Tim, didn't like long car rides, so he often asked, "Are we there yet?" He brought his video game console, but the battery died quickly.

We stayed in a small cabin near a lake. The cabin wasn't very big, but it had a cozy fireplace. Every morning, I woke up to the sound of birds. Did we go hiking every day? No, we didn't. One day, it rained heavily, so we played board games inside. Tim didn't win many games, but he didn't get too upset. We visited a small town nearby and bought some local honey. I didn't see any bears, which was good! We had a wonderful time exploring and relaxing. We returned home feeling refreshed and happy.
