Write the paragraph in **Future Tense**.

Every Saturday afternoon, our family goes to the community park. My little brother, Leo, always brings his kite. Does he fly it by himself? No, Dad usually helps him. The wind blows gently, which is perfect for kites. My mom packs a picnic basket with sandwiches and fruit. We don't forget the water bottles!

While Leo and Dad are flying the kite, I often read my book under a big oak tree. Sometimes, my friends are there too. We play soccer or run races. Are we good at soccer? Not always, but we have a lot of fun. We don't stay until dark. Before we leave, we always clean up our picnic spot. We make sure to throw away all our trash. We love our park visits because we spend time together and enjoy the fresh air.
